CITY OF PUEBLO

**RECALL OF COUNCIL MEMBER
ROBERT D. SCHILLING,
DISTRICT ONE REPRESENTATIVE
REASONS SET FORTH IN THE
PETITION DEMANDING RECALL**

We accuse Council member Robert D. Schilling of changing and passing a proposed ordinance, number 6921, without publication or notice of the change, and without public input or comment, denying the basic right of a substantial number of effected Puebloans to protest the imposition of the ordinance.

We accuse Council member Robert D. Schilling of blindsiding democracy, negatively impacting the autonomy and liberty of Puebloans, and their right to manage their businesses and lives as they see fit.

We accuse Council member Robert D. Schilling of treating Puebloans like children in need of parenting, instead of citizens who expect responsible governing.

We accuse Council member Robert D. Schilling of imposing his own will upon us, instead of letting us choose for ourselves.

**JUSTIFICATION FOR COURSE
IN OFFICE**

It would be a privilege and an honor to continue serving as your City Council Representative.
